Credit Card details

Please, debit my following credit card.

Type (Visa, Mastercard, Amex, etc)
Card holder (as it appears in the card)
Number (Substitute half of the digits or more with X's following our secure 2-message system)
Expiry date (Complete only the year and leave the month as XX following our secure 2-message system)
Card Security code (What is this?)
Card address (where you receive the statements of the card. Only if different from the billing address)

Remember:

- 1- If you are using our secure two-message system we do not process your order until you [send](#) us the second message with the missing details.
- 2- You can be required to send a copy (or scanned image) of both sides of the card and an Identity Document (passport, driving license, etc.)

Urgency

Unless you specify otherwise, we choose a quick, economic and secure service to ship your order. Alternatively, choose and tick as appropriate:

<input checked="" type="checkbox"/>	use the selected quick but economic service
<input type="checkbox"/>	use an express service
<input type="checkbox"/>	use the quickest option

Back Orders

Any item out of stock will be back ordered and sent if it becomes available in the following two months. Alternatively, choose and tick as appropriate:

<input checked="" type="checkbox"/>	back order during two months
<input type="checkbox"/>	if you would prefer a refund
<input type="checkbox"/>	do not wish to have items on back order

Multi-item Delivery

If you are ordering several items with different availabilities you will be charged individual dispatch costs for each item unless you request them to be held and sent together.

<input checked="" type="checkbox"/>	charge individual dispatch costs as each item becomes available
<input type="checkbox"/>	held and send together

Copyright

REMEMBER: You are buying a product consisting of some objects and some information with a licence of use. YOU ARE NOT BUYING OR HIRING THE COPYRIGHT. This means that you cannot use those objects or that information to copy them for commercial purposes. The licence that comes with every kit and every drawing, allows you to build only one instrument and no more. Only if you are a recognised RWC builder you can trade with this instrument obtained from the kit or drawing, otherwise it has to be built for personal use. You cannot hide the origin and the manufacturer and you cannot delete or remove the marks of RWC.

If you buy	You can	You cannot
a finished instrument	<ul style="list-style-type: none"> ■ Use and enjoy it. ■ Sell it as a second-hand RWC instrument. ■ Resell it as a new RWC instrument only if you are a trade agent of RWC, maintain the marks of RWC, respect the price and commercial policies of RWC and advertise it as manufactured by RWC. 	<ul style="list-style-type: none"> ■ Copy it, neither for personal nor commercial purposes. ■ Delete or remove the marks of RWC. ■ Resell it as a new instrument if you are not a trade agent of RWC, if you do not respect the price and commercial policies of RWC or if you do not advertise it as manufactured by RWC.
a kit	<ul style="list-style-type: none"> ■ Transform it in an instrument for your use. ■ Sell it as a second-hand RWC kit. ■ Resell it as a new RWC kit only if you are a trade agent of RWC, maintain the marks of RWC, respect the price and commercial policies of RWC and advertise it as manufactured by RWC. ■ Transform it in an instrument to be sold with the marks and copyright of RWC. 	<ul style="list-style-type: none"> ■ Copy it, neither for personal nor commercial purposes. ■ Delete or remove the marks of RWC. ■ Resell the parts of the kit as components or spare parts. ■ Resell it as a new kit if you are not a trade agent of RWC, if you do not respect the price and commercial policies of RWC or if you do not advertise it as manufactured by RWC. ■ Transform it in an instrument to be sold without the marks and copyright of RWC. ■ Build instruments from scratch based on the information obtained from the kit neither for personal nor commercial purposes.
a drawing or instruction manual	<ul style="list-style-type: none"> ■ Build an instrument for your use following the instructions. ■ Sell it as a second-hand RWC drawing. ■ Resell it as a new RWC drawing only if you are a trade agent of RWC, maintain the marks of RWC, respect the price and commercial policies of RWC and advertise it as manufactured by RWC. ■ Build an instrument to be sold with the marks and copyright of RWC. 	<ul style="list-style-type: none"> ■ Copy it, neither for personal nor commercial purposes. ■ Delete or remove the marks of RWC. ■ Resell it as a new drawing if you are not a trade agent of RWC, if you do not respect the price and commercial policies of RWC or if you do not advertise it as manufactured by RWC. ■ Build an instrument to be sold without the marks and copyright of RWC. ■ Build more than one instrument from scratch based on the information obtained from the drawing neither for personal nor commercial purposes.

I have read, understood and agreed the Copyright preventions.
(only if you write 'yes' in the box above your order will be processed)
